As you are aware that based on the request from your Discom, Ministry of Power had sanctioned project for IT enablement of smaller urban towns (IT Phase –II) under IPDS.

Ministry of Power in various forums has expressed concern over the poor progress with respect to award and implementation of the IT Phase-II project. Till date, even after lapse of considerable time, the project has not been awarded in your Discom, despite PFC's best efforts in facilitating the same.

It may be mentioned that PFC has issued advisory & clarifications and has had many workshops/ review meetings organized with all the Discoms to discuss & resolve issues affecting progress and facilitate the award & implementation of IT Phase-II project across the beneficiary States.

At this juncture, I request your personal intervention in ensuring award and implementation of IT Phase-II project under IPDS, failing which we shall be constrained to recommend cancellation of the said project.

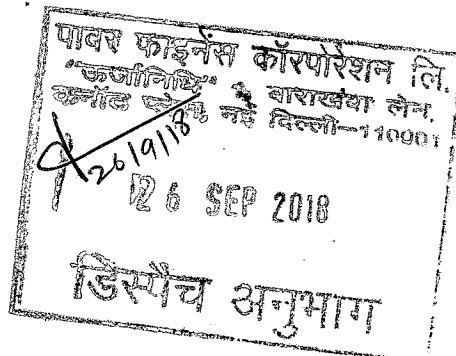

Yours sincerely,

(Rajeev Sharma)
