D.O.No. 16/24/2015-IPDS(Vol-II)

नई दिल्ली - 110001 28th June, 2017
NEW DELHI - 110001

Dear Shri Kumar

As you are aware that Phase-II of IT Enablement under IPDS has been approved by the IPDS Monitoring Committee of this Ministry for remaining census towns in the country.

2. On discussion with officials, It is understood from that Uttar Pradesh is carrying out IT enablement of smaller towns from their own resources. While it is appreciated that State has taken this proactive step for carrying out IT enablement of non-RAPDRP towns, it is imperative that the IT enablement undertaken should be capable of helping in proper energy accounting, improved consumer satisfaction etc., as envisaged under IPDS IT Phase-II. It is also desired that the Discoms in Uttar Pradesh shall link all urban 11 KV feeders with National Power Portal (NPP) by December, 2017.

3. As agreed in the last Power Ministers' Conference, I would like to request you to confirm that the feeder data of 11 KV feeders from all towns including non-RAPDRP towns of Uttar Pradesh will be made available on NPP through your IT system.

Regards

Yours Sincerely,

Arun Kumar Verma

नई दिल्ली - 110001 28th June, 2017
NEW DELHI - 110001

Dear Dr. Vadivelu

As you are aware that IPDS Phase-II for IT Enablement of remaining census towns (other than those covered under the erstwhile RAPDRP) has been approved by the IPDS Monitoring Committee. Several States have already submitted their DPRs for the purpose. You would also recall that the last Power Ministers' Conference held in New Delhi on 3rd-4th May, 2017 had resolve to complete this project by the end of March, 2018.

2. In order to achieve the same, you are requested to submit the IT Phase II DPRs latest by 30th June, 2017, before closure of the window for uploading the same on IPDS web-portal. Further, it is understood that some States / Utilities do not seek Central funding for the purpose, as the works have already been covered under their own CAPEX plans. In such a case, it is requested that the same may please be intimated to this Ministry. It may please be further appreciated that feeder data have to be shared online latest by December 2017.

Regards

Yours Sincerely,

(Arun Kumar Verma)

Dr. S. Sundara Vadivelu
