DO No. PFC:IPDS:2015: NPP

07<sup>th</sup> March, 2017

*Dear Sir/Madam,*

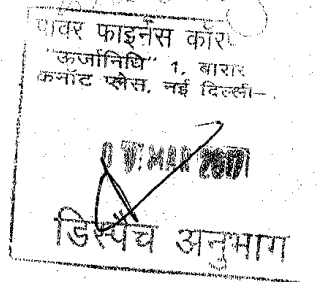

As you are aware that On-line Urban Feeder Monitoring System as a part of National Power Portal (NPP), has been in the focus for which Urban Feeder Data is being uploaded from Discoms and regular monthly feedback is being sent to you based on the data. In the RPM meeting held on 7<sup>th</sup> March 2017, Secretary (Power) has given the directive to make the NPP Data accessible to public from 1<sup>st</sup> May 2017. Since the NPP data would be subjected to public viewing, the data should be rigorously checked before uploading to maintain its requisite quality in respect of timeliness, completeness and accuracy.

Your personal intervention is requested to ensure data sanitization, w.r.t following -

- All the consumers are properly GIS Mapped with respective feeders and Delta-Change updates are done regularly
- Consumer Database in GIS system and MBC are synchronized
- All the Feeders are communicating with MDAS and their Meters, Modems and connectivity issues are addressed
- Minimize abnormality in Feeder Data like Energy and Billing/Collection Amounts, Outage Duration, etc. that leads to abnormal AT&C Loss and SAIDI/SAIFI Values

We look forward to your team's participation in the above and request your continued support and active guidance therein to ensure regular uploading of Quality Feeder Data of your Discom to make Feeder Monitoring System, a grand success.

Your kind cooperation is solicited in this matter.

Your's Sincerely,

*Radhika Jha*  
(Radhika Jha, IAS)
