Sub: Segregation of Commercial Loss from AT&C loss on the instruction of Standing Committee on Energy.

Dear Sir,

Standing Committee on Energy, in its meeting dated 26th Oct 2015, directed MoP/PFC to segregate quantum of Commercial losses from overall AT&C losses for the important Capital towns in the country.

Accordingly, on directions of MoP, ten pilot towns have been selected for this important study. Kolkata UA (WBSEDCL) Area being part of capital of West Bengal is one of the selected towns.

It is suggested that, Network Analysis & Energy Audit modules, created under R-APDRP Part-A IT system, can be used for measurement of technical loss. GIS update and up-keep of Meters/Modems are pre-requisite for proper measurement of technical loss.

Thus, it is requested that you may like to instruct your IT head for needful action and have the technical loss report of Kolkata UA (WBSEDCL) Area submitted to us within one month's time, so that the same may be analysed and put up to MoP & Standing Committee on Energy, accordingly.

With regards,

Your's Sincerely,
