25 MAY 2016

Dear Sir,

As you are aware, distribution is the most important link in the entire power sector value-chain. Government of India is assisting States to strengthen the Urban Distribution sector through its priority programme of Integrated Power Development Scheme (IPDS) and progress of which is being monitored at the highest level in the Ministry of Power.

In the IPDS guidelines, it has been envisaged that the Scope of Works for the IPDS projects will be formulated giving priority to provide access of electricity to all un-electrified Urban households. In this regard, you are requested to kindly provide updated Circle-wise data regarding un-electrified Urban households in your State, in case there are any. Also, you are requested to confirm whether all these un-electrified households have been covered for electrification in the DPRs, submitted under IPDS.

We look forward to your kind co-operation and continued dynamic leadership towards strengthening of distribution sector.

With kind regards,

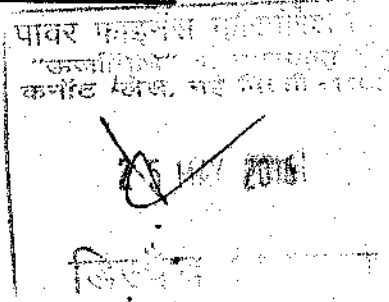

Your's Sincerely,

Radhika
