**Sub.: Hiring of Sr. Consultants for IPDS (subsumed R-APDRP) works**

Sir/Madam,

As you are kindly aware that IPDS (including subsumed RAPDRP) is a priority scheme of Govt. of India and its timely implementation is being vigorously monitored by Ministry of Power. DISCOMs have come a long way since inception of R-APDRP and substantial amount of work has already been completed under Part-A (IT), SCADA & Part-B. 1,363 out of 1405 urban towns have been declared go-live. TPIEA-IT verification has been completed in nine States. Part-B works has been completed in 885 out of 1227 urban towns. However financial closure is area of concern under RAPDRP. In order to assist Utilities in closure of R-APDRP Part-A/Part-B works and in IPDS works such as preparation of claims etc., PFC intends to hire Sr. Consultants (retired personnel) on contract basis.

In view of the above, an advertisement is being notified which is also available on IPDS/PFC web-portals for inviting application forms of interested retired personnel below the age of 65 years from Utilities. The applicants need to submit their detailed bio-data in the prescribed format (copy attached) to PFC within the timeline specified in the advertisement. Final selection shall be done by the PFC after following the due process.

You are requested to please ensure wide circulation of the advertisement to broaden horizon of applicants and forwarding of applications of interested retired personnel in your DISCOMs/PDs. It will help to achieve financial closure and expediting claim processing under RAPDRP/IPDS.

Thanking you,

Yours sincerely,

Sd/-
