## Sub: Training of Utility personnel under IPDS (RAPDRP subsumed)

Sir,

Integrated Power Development Scheme (IPDS) is a priority program of Govt. of India for the Urban Power distribution sector. It plays a catalytic role in improving the health of distribution Utilities. Capacity Building of Distribution Utility personnel at various levels has been identified as an essential part of this scheme with focus on enhancing skills of utility personnel for efficient operation and management.

In addition to our three days regular training programme on identified themes through empanelled PTIs at onsite and offsite locations under RAPDRP, a need was felt for more trainings including various aspects of IPDS implementation and IT/Metering systems, SCADA, Solar, AB/UG Cables, emerging technologies. These training shall emphasise on addressing challenges during erection as well as operation, in addition to the IPDS awareness for the personnel of DISCOMs.

Towards this objective, a "One day IPDS Impact Programme" for 'JE & above' personnel of Utilities for a batch of around 25 to 30 participants in each programme preferably at Utility HQ have been envisaged. Programme shall include sessions on IPDS awareness, new initiatives under IPDS including 100% digital payments, IT system in Distribution, Smart metering/SCADA, issues in implementation of AB/UG cables, solar projects etc. Depending upon Utility's feedback subsequent trainings can be planned.

Thus, in order to improve awareness amongst participants with the various features of IPDS scheme, so as to execute the projects under IPDS in a better manner, we would request you to nominate a batch of about 25-30 personnel for the programme. Preference may be given to employees deployed in field. You are also requested to provide logistic support viz. Conference hall, Projector, Screen, PA System etc. for conducting the programme preferably at Utility HQ and indicate convenient dates for organizing the programme, by 22<sup>nd</sup> June, 2018.

Thanking you,

Yours faithfully,

(Subir Saha)  
ED (IPDS)
