DO No. 02:10: IPDS: IV: 2016: Utilities
20.09.2018

As you are aware that based on the request from your Discom, Ministry of Power had sanctioned project for IT enablement of smaller urban towns (IT Phase –II) under IPDS.

Ministry of Power in various forums has expressed concern over the poor progress with respect to award and implementation of the IT Phase-II project under IPDS. Till date, even after lapse of considerable time, the project has only been partially awarded by your Discom.

It may be mentioned that PFC has issued advisory & clarifications and has had many workshops/ review meetings organized with all the Discoms to discuss & resolve issues affecting progress and facilitate the award & implementation of IT Phase-II project across the beneficiary States.

At this juncture, I request your personal intervention in ensuring balance award, expediting implementation of IT Phase-II project under IPDS and ensuring availability of feeder data from the smaller urban towns on National Power Portal on or before 31.12.2018.

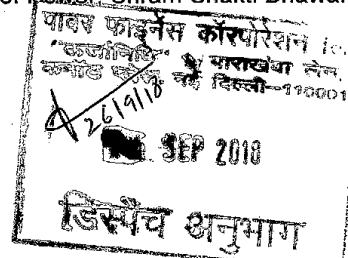

Yours sincerely,

ole
