21 MAR 2018

To,  
All MDs / CMDs / Head of Utilities  
(As per list enclosed)

**Sub: AMR metering of 11kV Feeders and DTR in Urban areas under IPDS**

Madam/Sir,

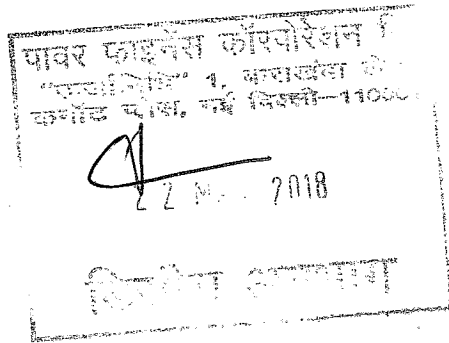

As you are aware that IPDS guidelines calls for ensuring metering at all important points including Feeders and Distribution transformers (DTR) of under the scheme. Accordingly, Discoms have committed to ensure meeting of all 11kV feeders in the IPDS towns with AMR meters. Discoms have also proposed DTR metering in respective circles under IPDS as per their requirement. Moreover, under RAPDRP large scale metering of DTRs was also undertaken by Utilities.

In order to ensure effective energy audit enabling Discoms to identify the high loss-pockets for taking necessary measures for reduction of AT&C losses, Discoms are once again requested to ensure the following:

- 1) Boundary metering of new IPDS towns, already approved under IT-phase-II DPRs
- 2) AMR metering of all 11kV feeders under IPDS towns and uploading of Feeder data on National Power Portal for online feeder monitoring.
- 3) All new DTRs under IPDS to be provided with AMR meters and integrated with IT system. Also, Discoms to ensure metering of all DTRs.

You are, therefore, requested to ensure metering of all 11kV Feeders and Distribution Transformers in urban areas.

Thanking you,

Yours faithfully,

(D. Ravi)  
Director (Commercial)
