To,

The Secretary (Power/Energy), All States

Subject: Pradhan Mantri Sahaj Bijli Har Ghar Yojana –“Saubhagya-reg.

Sir,

As you are aware that Government of India has launched Pradhan Mantri Sahaj Bijli Har Ghar Yojana (Saubhagya) with the objective of achieving universal household electrification by providing last mile connectivity and electricity connection to all unelectrified household in rural as well as unelectrified poor households in urban areas. The target is to complete this task by December 2018.

2. Under the joint initiative of Government of India and States, a comprehensive “Power for all” document was prepared by states where in states have indicated the estimated numbers of un-electrified households in rural and urban areas. As per the information compiled by CEA from PFA documents of states, 38.49 urban households in the country are un-electrified. **State wise details are attached.**

4. So far, we have received the request from states to provide financial assistance under “Saubhagya” to electrify only 16.6 lac urban households. To speed up the electrification of balance un-electrified urban households, it is essential to arrive at the total number of balance un-electrified urban households in each state.

5. States are requested to furnish the firm figures of un-electrified urban households as on 01.04.2017 and 01.04.2018 at the earliest.

Yours Faithfully,

(G Swan Za Lian)

Under Secretary to the Govt. of India
