Sub: Training & Capacity building of Distribution Utilities personnel under IPDS

Sir/Madam,

Integrated Power Development Scheme (IPDS) is a priority program of Govt. of India for the Urban Power distribution sector. It plays a catalytic role in improving the health of distribution Utilities. Capacity Building of Distribution Utility personnel at various levels has been identified as an essential part of this scheme.

We are pleased to inform you that IPDS Monitoring Committee has approved the continuation of Capacity Building of Distribution Utility personnel under IPDS through empanelled Partner Training Institutes (PTIs) on 15 identified themes for A&B and C&D level employees. PFC, the Nodal Agency, has also invited IITs and IIMs for empanelment as PTIs for Capacity Building of Distribution Utility personnel under IPDS.

In this Series, the first program on the theme "**Efficiency Improvement Measures in Distribution System**" is being organised by Power Management Institute (PMI) of NTPC at Noida from **15th to 17th March 2017**. This is a residential programme for Senior Officers of Power Distribution Utilities and programme fee is reimbursable to PTI under IPDS (Detailed Program Schedule attached)

You are requested to reap the benefit of Training & Capacity Building under IPDS by nominating Utility personnel from time to time. PTI's shall also be approaching DISCOM's for seeking nominations for training programs to be organised by them

Look forward to partnering together on initiatives of capacity building.

With Regards,

Your's Sincerely,

(Radhika Jha)
