**Sub.: Request for providing Circle-wise data regarding un-electrified Urban households**

Dear Sir/Madam,

In continuation to our earlier letter dated 25.05.2016, this is to once again highlight that in the IPDS guidelines, it has been envisaged that the Scope of Works for the IPDS Projects will be formulated giving priority to access of electricity to all un-electrified Urban household. In this regard, you are requested to kindly provide up-dated Circle-wise data regarding un-electrified Urban household in your State, in case they are any.

As you are aware, distribution is the most important link in the entire power sector value-chain. Government of India has launched the IPDS to extend financial assistance against capital expenditure to address gaps in sub-transmission and distribution network and metering in Urban areas to supplement the resources of DISCOMS/Power Departments.

We look forward to your kind co-operation and continued dynamic leadership towards ensuring access and reliable power supply to all households.

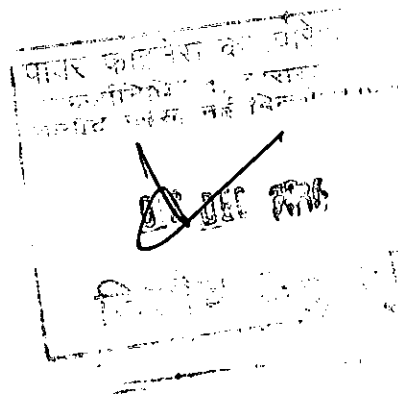

Your's Sincerely,

  
(Radhika Jha)
