Govt. of India

**Restructured Accelerated Power Development and Reforms
Programme (R-APDRP) of Govt. of India**

Request For Proposal (RFP) - dated 21st May 2010

for

Appointment of
Consultant to Study the Time of Day (ToD) Metering/ Tariff

Nodal Agency

**Power Finance
Corporation Ltd.**

Ministry of Power, Govt. of India, as a part of Reforms in the Power Sector, has launched the Restructured Accelerated Power Development and Reforms Programme (R-APDRP) in the XI Five year Plan. The focus of the program is on the actual demonstrable performance in terms of AT&C loss reduction, establishment of the reliable and automated sustainable systems for collection of base line data, adoption of information technology in the areas of electricity accounting, Consumer care and strengthening of Distribution network of State Power Utilities. A provision of Rs.50,000 crores has been made for funding during XI plan for the Projects under the scheme to be taken up in two parts in urban areas – towns and cities with population of more than 30,000 (10,000 in case of special category states). The scheme also envisage establishment of supervisory control & data acquisition system/ distribution management system in large towns, capacity building, incentive scheme for distribution personnel etc.

Power Finance Corporation Limited (PFC) has been designated by Ministry of Power, Government of India as the Nodal Agency for operationalization of the programme. PFC is supported/ advised by various consultants for implementing the programme. Government of India has, so far, approved projects for 1387 towns in 29 States/UTs covering 45 State Power Distribution Utilities with sanction amount of Rs.8184 crores for creation of IT infrastructure and distribution improvement. Based on Model Bid documents provided by PFC, 40 Utilities have appointed IT Consultant & 28 have appointed IT Implementation Agencies out of 50 Utilities. PFC has so far disbursed about Rs 1646 Cr to State Power Utilities under R-APDRP.

PFC intends to **appoint Consultant to Study the existing status and future roadmap of Time of Day (ToD) metering/ tariff in the country**, to assist Power Utilities in framing policies and programme.

A web portal has been created for dissemination of information and monitoring of Programme. Details of R-APDRP scheme are available at web site www.apdrp.gov.in & www.pfcindia.com
